

“MAHAUTTHAN” **(The Great Spiritual Upliftment)**

The Ideal Path of Divine Spiritual Ascent

This ideal model is pyramid of spiritual ascent and exploring nine heavenly subtle kingdoms :-

Beauty, Bliss, Love & Joy Of Nature and Spirit of the entire Cosmos is Magnificent, Wonderful, Unbounded, Limitless and Divine. It is only to the limitations of the explorer how much one can truly experience Nature's Glorious Divine Beauty. It's the matter of Quest, Curiosity, Zeal, Enthusiasm, Capability, Capacity, Dedication, Devotion and Faith to explore and experience the sublime magnificent Beauty of Nature and it's secret. It's the real Art of loving Nature's Beauty.

There are seven subtle planes in Human Subtle body. There are totally 49 planes in 7 Strata of entire creation in the Cosmos. Higher planes are Heavens and lowest 7 planes are Hell.

Human beings are created in the image of “The Lord” by the Grace of “The Lord”. We can achieve our complete Spiritual Ascent by Transcending the seven subtle planes within us and connect directly to the all-pervading Divine Spirit Energy called as “Paramchaitanya” “Paramtattva”, and thus experience Peace, Bliss, Love, Beauty and Joy of Divinity. Let's study these nine steps, levels from bottom of Pyramid of the ideal path of divine spiritual ascent to the highest top in the ascending order.

1. First Heavenly Kingdom

This subtle Heavenly Kingdom is located at the Pelvic Plexus at the bottom end of our spinal cord. It is called Mooladhar Chakra the (root chakra) in Sanskrit as per Vedas. The first subtle energy centre, it is the root centre. It has 4 sub plexuses. Its colour is red. The seed Mantra for Mooladhar Chakra is “Om Lam”. Its element is Earth. Physical Responsibility is to control activities and metabolism of Prostrate Glands, Procreation, Potency and Excretion, Cohesiveness and Inertia. At subtle level it has many Divine Qualities, Essence, Energies and Powers of various sorts such as Auspiciousness, Wisdom, Purity, Chastity, Innocence, Power of Discretion, Mightyness, Prosperity Opulence, Holiness required for our wellness and wellbeing and for our Spiritual Ascent.

The Divine Sentient Cosmic Energy known in Vedas as “Kundalini Shakti” rests as three and half coiled energy on this Mooladhar Chakra from where it actualises itself when a true seeker of truth has pure desire for his Spiritual Upliftment, the seeker who is fully surrendered to his “Sadguru” (The enlightened Master) and who has been blessed with “Sadgurukrupa”. This coiled energy then rises to next higher centres.

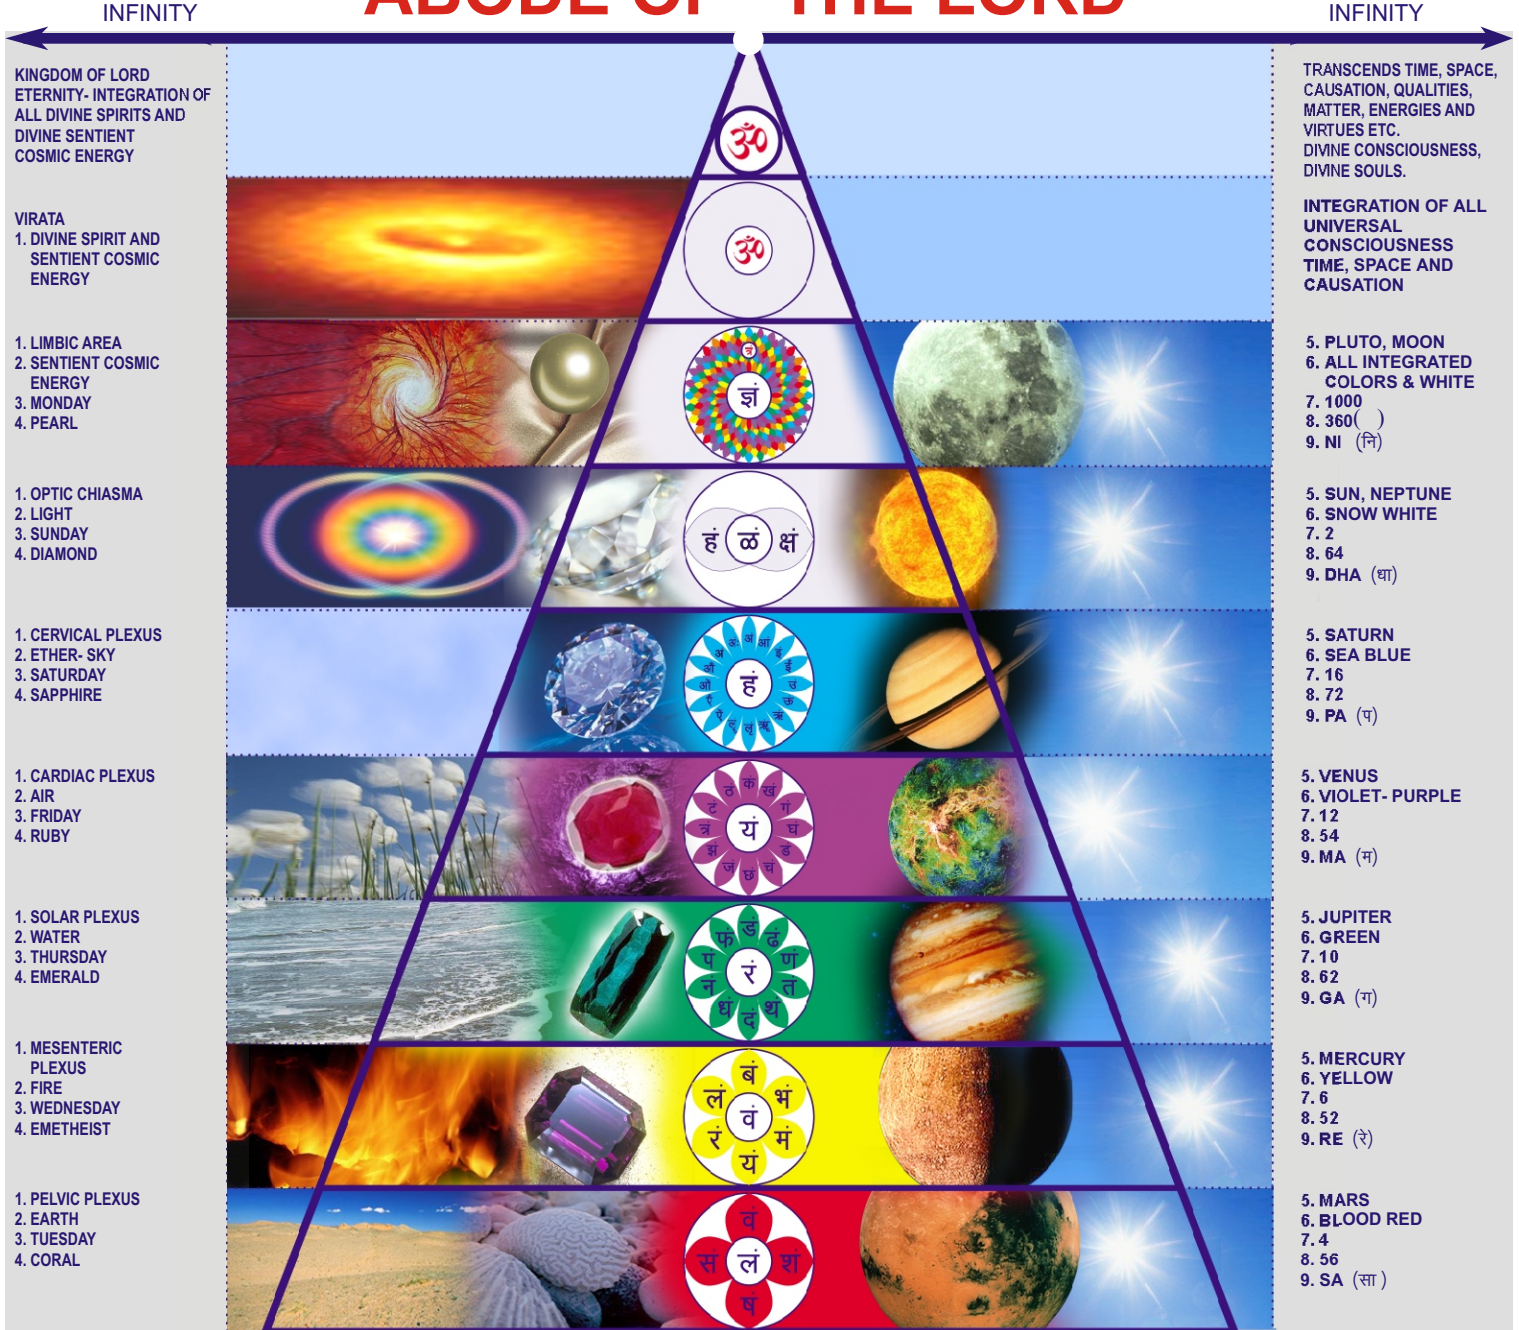

2. The Second Heavenly Kingdom

This is located at our vest vertebra in spinal cord between leg joints with trunk, Abdomen at Aortic plexus. It is called Swadhisthan Chakra (The Sacral Chakra) in Vedas. The second subtle energy centre. Its colour is orange. Its seed Mantra is “Om Vam”, Its element is Water. Its physical responsibilities are to control the activities of Urinary Bladder, Liver, Spleen, Pancreas. It provides supplies power to the brain cells by converting fat cells into brain cells etc.

At subtle level its qualities are Creativity, All Arts, Interest In Beautiful Creative Works, Intuition, Inner Inspiration, Genius, Intellectual Understanding. Abstract Thought, Aesthetics, Pure Desire, Pure Knowledge & Learning etc. This centre is actualised for hire divine experiences by the Divine Sentient Energy “Kundalini Shakti”. When this energy freely flows through this centre and then it rises to higher centre.
